

Pasta cooker table top model 230V

Manufacturer: Locher Großküchen – Geräte GmbH

Model: 201600

Description:

Electric pasta cooker with 1 basin (without water tap!)

Unit made of stainless steel. Rounded angles and smooth surfaces enable easy cleaning of the unit. Control panel and bottom plate are removable.

Heating through heating element underneath the basin, therefore easy cleaning of the basin itself.

Very simple operation through a thermostat and a main switch with signal lamps in the control panel. Unit features a drain tap in the front.

Unit comes with power cable, 4 portion baskets and a punched bottom plate.

Technical data:
