

System 60/20 Induction – On table unit

Manufacturer: Berner-Kochsysteme GmbH & Co KG

Type: **BWKTT5**

Type:

Powerful On –Table Induction Wok.

Material: Chrome nickel steel 18/10 DIN 1.4301

Compact Type, case and cover manufactured from several parts. Front-, Back- and Ground plate is removable. With built-in glass-ceramic bowl in the case. Transition to the Cuvette with stamped curve. Curves and smooth surfaces make a easy opti-mally cleaning possible.

The energy assignment is carried out via one half round induction coil under the glass-ceramic bowl. Under the induction coil being the induction - generator.

maximum operation safety gratitude:

- electronic temperature supervision of the induction coil, generator and control print.
- electronic supervision for the addition of energy
- Energy reduction and turn off at empty pan in the operation.

The easy handling is carried out with one step less power controller. One digital advertisement under the glass-ceramic plate shows the chosen performance (1-9) or possible troubles. An optimal air supply is carried out with two integrated cooler per induction generator. Below is an exchangeable aluminium grease filter (automatic dishwasher fit).

Optional: different wok pans

Delivery incl. regulator, knob and connection cable with plug and Aluminium grease filter. Four stable, non-skid and adjustable in height feet.

Technical Data:

Width:	400 mm
Depth:	600 mm
Height:	200 mm incl. Feet
glass ceramic bowl:	Ø 300 x 6 mm
Induction Coil:	half round 300 mm
Connection value:	400 V / 5,0 kW

08/08 Dimension are approx.- dimension. Technical Changes and leaving typographically conditional Colour deviations.
